

# DANIELSON AND PUTNAM NEWS

## DANIELSON

**Fox Shot Had Escaped from Snare—Oiled Streets Give Satisfaction—Brooklyn Suit Being Tried at Hartford.**

Mrs. F. O. Armstrong, who has been spending the summer with relatives in Denver, Col., is to arrive in Danielson today (Friday).

Chester Hutchins has entered the employ of the Danielson Cotton company as clerk at their store.

**By Automobile to Hartford.**

Rev. Clarence H. Barber and John A. Palmer were at Hartford Thursday, making the trip by automobile.

Clinton Peilett attended the fair at Brooklyn Thursday.

Harley Bowen of Pittsburgh has been a recent visitor with relatives in Danielson.

Charles A. Henry of Providence called on Danielson friends Thursday. Adelbert Boswell of Providence is in Danielson, called here by the death of his mother, Mrs. Harriet Boswell.

**New Pastor at Waukegan.**

Rev. Joseph E. McCarthy commenced his pastorate at the Sacred Heart church in Waukegan Thursday.

Candidates for office at the annual town election on Monday are filing accounts of their election expenditures.

Several local Hebrews have returned to Danielson and resumed business after attending the religious observance incident to the beginning of the new year.

**Fox Had Snare Wire in Neck.**

John Harrington and Bill Dagenlas got a large fox after a hunt Thursday morning. The animal, one of the first to be brought in this season, had the loop of a wire snare deeply imbedded in the flesh of the encircled neck. The indications were that the wire had been worn by the fox for months.

**Pleased with Oiled Streets.**

The oil that has been sprinkled at the expense of the state on highways in the towns of Killingly and Brooklyn is working in nicely, and has been a great help to the drivers where the road surfaces are much improved by its use. Automobile drivers appreciate the results attained.

**Audience Liked Melodrama.**

The King of Tramps was seen by the audience that gathered in the town hall on Thursday evening and they seemed to like the piece. A street parade by the band with the company and a concert outside the hall in the evening added to the interest in the troupe.

**Suit Over Boundary Lines.**

Attorney Oliver E. Getty of Danielson and Attorney Charles E. Searls of Putnam, representing the plaintiff, have been at Hartford this week to appear before the supreme court of errors for argument of the appealed case of Peter Turgeon vs. Frederick Woodward, both of the town of Brooklyn.

The case developed out of a dispute between the parties as to the locations of boundary lines through adjoining land owned by them and the cutting of trees by the defendant on land claimed by both Turgeon and Woodward.

**Getting Clear Titles to Land.**

The degree of clearness of the titles given them for lots purchased from the Industrial and Manufacturing company at Industrial place when the boom was on two years ago, is now of paramount interest to several of the buyers. Technicalities that have recently developed relative to this point are being adjusted through conference with one of the men who sold a part of the Industrial tract to that company.

**Hunters' Indifferent Luck.**

Hunters are not having the best kind of luck. There are too many leaves, too much brush and too few birds. The regular quota of sports-

men go out from this section every day, however, and enjoy the outing if not the luck.

**Borough May Miss Basketball Game.**

The chances are that Danielson will not have a basketball team this winter. Several of the best local players have made arrangements to go with Manager Cordier's Putnam team, this because of the difficulty of getting a hall in which to play the game in Danielson. The town hall and the armory can no longer be secured.

**St. James' School Overcrowded.**

There is an unusually large number of pupils in St. James' school this year and it has been necessary to arrange for extra seats to accommodate them. The seats are to be put in place in a few days.

**Political Lassitude.**

The democrats of Killingly have taken little interest as yet in the fact that they are soon to be called upon to name their candidates for representatives. The only name heard mentioned to date in this connection is that of Clayton Wright of Elmville.

**Handicaps of Dry Season.**

Owners of herds of livestock in this section are in many instances being put to the necessity of hauling water in barrels from distances not always short in order that the animals may have a sufficient quantity for drinking purposes.

## PUTNAM

**Engineer Thomas Howarth Killed at Bolton—Divorce Granted Mrs. Leroy Wyman—Principal Dutton Elected School Supervisor.**

The announcement of the death of Engineer Thomas Howarth, 32, of this city in the accident at Bolton Thursday afternoon, created profound sorrow throughout the city. His sad fate deeply affected all who had come to know him during his long residence in Putnam. For nearly thirty years he had been in the service and was one of the best-known drivers on the Midland division.

Details of the accident were eagerly sought by scores of his friends immediately upon information of the happening in the hope that the first reports would be found untrue.

Mr. Howarth was a member of Car-gill council, Knights of Columbus, and of Putnam lodge of Elks. He leaves his wife and five sons—Frank, Henry, George, Raphael and Thomas, all of Putnam. The body was brought to the Howarth home Thursday evening.

**Residents of Town Farm Give Testimony.**

A divorce has been granted Mary E. Wyman from Leroy Wyman, Woodstock residents, in the superior court here. Judgment was given by Judge Greene on the grounds of cruelty.

Most of the evidence in the case, which was contested, was presented to the court in the form of depositions, two of which were made by Mrs. Emeline Greene and Nancy Gordon.

With the exception of Mrs. Wyman, all the witnesses in the case were inmates of the Woodstock town farm, the incidents to which they testified having occurred during the time that Mr. and Mrs. Wyman were in charge of the farm for the town.

## SCHOOL BOARD

Organizes with Dr. J. B. Kent Chairman.

Dr. J. B. Kent has been elected chairman of the school board of the town of Putnam for the ensuing year and Attorney Charles L. Torrey selected as secretary for the same period.

The complete organization of the board is as follows: Teachers' committee, Eric H. Johnson, Richard Gorman, Silas M. Wheelock; examinations committee, E. H. Johnson, Dr. J. B. Kent; supplies committee, Archibald Macdonald, Col. G. D. Bates,

Charles W. Bradley; buildings committee, Charles W. Bradley, Archibald Macdonald, Col. G. D. Bates; music committee, Dr. J. B. Kent; hygiene committee, E. H. Johnson, Dr. J. B. Kent, Richard Gorman; trust officer, Allen W. Bowen; buildings committee, C. W. Bradley, A. Macdonald, G. D. Bates.

**M. P. Dutton School Supervisor.**

M. P. Dutton, principal of the Israel Putnam school, has been elected supervisor of schools for the year ending July 1, 1911, for which service he is to receive recompense in the sum of \$30 and expenses in addition to his salary as principal. His jurisdiction will include all the schools in Putnam excepting the Putnam high school and the Israel Putnam school, which are to be supervised by Eric H. Johnson as acting member.

Fifty dollars has been voted by the board to Col. G. D. Bates in recognition of his service in daily overseeing the work of making extensive improvements at the Smith street school.

Joseph Dussault has been named by the board as janitor of the Smith street school at a salary of \$9 per week.

**Third Floor Rooms Distasteful.**

Another matter in connection of school affairs in Putnam was the appearance before the school board of Principal M. P. Dutton to make representations to them relative to complaints that he has received of having the pupils of grade 1 located on the third floor of the Israel Putnam school. It is hoped to speedily adjust the matter to the satisfaction of all concerned.

**Sisters Petition for Music Teacher.**

The school board is also in receipt of a petition from the Sisters of Mercy, in charge of the schools in St. Mary's parish, relative to having the instructor in music in the public schools perform a similar service in the parochial schools, assuring the hearty co-operation of the Sisters if such an arrangement can be brought about.

**To Be Assistant Marshal.**

M. M. Dwyer, grand knight of Car-gill council, Knights of Columbus, has been named as one of the assistant marshals (mounted) to have charge of the big state parade of the members of the order, to be held in Bridgeport on Wednesday next.

All of the councils in Windham county have been assigned positions in the third division.

**City Notes.**

The E. A. degree was conferred upon candidates at a communication of Quinebaug lodge, F. and A. M., Thursday evening.

Adjournment of the sittings of the superior court in Putnam has been taken sine die. The next sessions of the court will be held in Willimantic later in the month.

Attorney H. C. Bradford, E. E. Robbins, William S. Johnson and George Miner are having the Putnam men who have been attending the Brooklyn fair.

Miss Josephine San Souci and Miss Mabel Kent have been recent visitors in Brooklyn.

L. J. Pierce of Attleboro called on friends in Putnam Thursday.

Boston-bound travelers were held up for hours in Putnam Thursday afternoon because of the failure of trains to arrive, owing to the accident at Bolton.

A temperature of 35 degrees during Thursday afternoon knocked the sales of fall merchandise down.

**Two Kinds of Weakness.**

There are two kinds of weakness, that which breaks and that which bends.—Lowell.

**The Difference.**

The difference between a cynic and a grouch is just in the manner of spelling.

## Soudanite.

It has often occurred that entire French military expeditions have halted in the desert of Sahara and have wasted many precious hours in senseless disputes on trivial subjects. Even more placid dispositions get dangerously quarrelsome in the Soudan heat. The condition and the heat-crazed human are Gallicized into the name "Soudanite." The same state seems to hit this town some hot days.

## The Strongest Creature.

In proportion to its size and weight the beetle is probably the strongest of all known living things. It is claimed by the authorities that if an elephant were as strong in proportion to its weight as a male beetle it would easily be able to overturn the biggest skyscraper in the world. The beetle is followed closely by some ants and the mole is not far behind.—New York American.

Some of the 1,175 teachers in London unemployed at the end of last year had to become typists and envelope addressers, while one became a cab driver.

## Chinese Egg Market.

China is ahead of the times in the method of selling eggs. There "hen fruit" is not sold by the piece or dozen, but by the pound. The reason why eggs are not bought by the piece are the labor of counting such large numbers and the disputes over the count, inseparable from such a method where millions of eggs are involved in a single deal.

## Hot Water for Tears.

Nothing will better draw out inflammation caused by tears than to soak the eyes in hot water. To do this the cloth should be wet and laid over the lids, renewing as soon as the heat subsides. Ten minutes of this makes the whole face red, and as the blood recedes the lids bleach with the rest of the skin.

## Chesty.

Towne—"What on earth has come over Meekly? He was almost impudent to me this morning." Browne—"O, I'll tell you. He answered the advertisement of a correspondence school."

# DIAMOND

## Engagement Rings

Danielson, Conn.  
JAMES E. KEECH, Manager.

# Why Physicians Recommend Castoria

CASTORIA has met with pronounced favor on the part of physicians, pharmaceutical societies and medical authorities. It is used by physicians with results most gratifying. The extended use of Castoria is unquestionably the result of three facts: *First*—The indisputable evidence that it is harmless: *Second*—That it not only allays stomach pains and quiets the nerves, but assimilates the food: *Third*—It is an agreeable and perfect substitute for Castor Oil. It is absolutely safe. It does not contain any Opium, Morphine, or other narcotic and does not stupefy. It is unlike Soothing Syrups, Bateman's Drops, Godfrey's Cordial, etc. This is a good deal for a Medical Journal to say. Our duty, however, is to expose danger and record the means of advancing health. The day for poisoning innocent children through greed or ignorance ought to end. To our knowledge, Castoria is a remedy which produces composure and health, by regulating the system—not by stupefying it—and our readers are entitled to the information.—*Hall's Journal of Health.*

The Kind You Have Always Bought and which has been in use for over 30 years, has borne the signature of Chas. H. Fletcher, and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

**GENUINE CASTORIA**  
Bears the Signature of

## Letters from Prominent Physicians Addressed to Chas. H. Fletcher.

Dr. W. L. Leister, of Rogers, Ark., says: "As a practicing physician I use Castoria and like it very much."

Dr. W. T. Seeley, of Ansty, N. Y., says: "I have used your Castoria for several years in my practice and have found it a safe and reliable remedy."

Dr. Raymond M. Everts, of Santa Ynez, Cal., says: "After using your Castoria for children for years it annoys me greatly to have an ignorant druggist substitute something else, especially to the patient's disadvantage, as in this case. I enclose herewith the wrapper of the imitation."

Dr. R. M. Ward, of Kansas City, Mo., says: "Physicians generally do not prescribe proprietary preparations, but in the case of Castoria my experience, like that of many other physicians, has taught me to make an exception. I prescribe your Castoria in my practice because I have found it to be a thoroughly reliable remedy for children's complaints. Any physician who has raised a family, as I have, will join me in the heartiest recommendation of Castoria."

Dr. W. F. Wallace, of Bradford, N. H., says: "I use your Castoria in my practice, and in my family."

Dr. Wm. I. McCann of Omaha, Neb., says: "As the father of thirteen children I certainly know something about your great medicine and aside from my own family experience, I have, in my years of practice, found Castoria a popular and efficient remedy in almost every home."

Dr. Howard James, of New York, City, says: "It is with great pleasure that I desire to testify to the medicinal virtue of your Castoria. I have used it with marked benefit in the case of my own daughter, and have obtained excellent results from its administration to other children in my practice."

Dr. J. R. Clausen, of Philadelphia, Pa., says: "The name that your Castoria has made for itself in the tens of thousands of homes blessed by the presence of children, scarcely needs to be supplemented by the endorsement of the medical profession, but I, for one, most heartily endorse it and believe it an excellent remedy."

Dr. B. Halstead Scott, of Chicago, Ill., says: "I have prescribed your Castoria often for infants during my practice and find it very satisfactory."

Dr. William Belmont, of Cleveland, Ohio, says: "Your Castoria stands first in its class. In my thirty years of practice I can say I never have found anything that so filled the place."

Dr. R. J. Hamlen, of Detroit, Mich., says: "I prescribe your Castoria extensively as I have never found anything to equal it for children's troubles. I am aware that there are imitations in the field, but I always see that my patients get Fletcher's."

Dr. Channing H. Cook, of Saint Louis, Mo., says: "I have used your Castoria for several years past in my own family and have always found it thoroughly efficient and never objected to by children, which is a great consideration in view of the fact that most medicines of this character are obnoxious and therefore difficult of administration. As a laxative I consider it the peer of anything that I ever prescribed."

Dr. L. O. Morgan, of So. Amboy, N. J., says: "I prescribe your Castoria every day for children who are suffering from constipation, with better effect than I receive from any other combination of drugs."

Dr. H. J. Taft, of Brooklyn, N. Y., says: "I have used your Castoria and found it an excellent remedy in my household and private practice for many years. The formula is excellent."

Dr. Wm. L. Bosserman, of Buffalo, N. Y., says: "I am pleased to speak a good word for your Castoria. I think so highly of it that I not only recommend it to others, but have used it in my own family."

Dr. F. H. Kyle, of St. Paul, Minn., says: "It affords me pleasure to add my name to the long list of those who have used and now endorse your Castoria. The fact of the ingredients being known through the printing of the formula on the wrapper is one good and sufficient reason for the recommendation of any physician. I know of its good qualities and recommend it cheerfully."
